

DEVELOPMENT OF PIO ISKOLAR: A WEB-BASED RECORDS MANAGEMENT SYSTEM WITH ONLINE DOCUMENT SUBMISSION FOR DR. PIO VALENZUELA SCHOLARSHIP PROGRAM

PROJECT OVERVIEW

PROJECT PURPOSE

- Primary goal of the system is to streamline scholar document submission and enhance record management efficiency.
- Scholars can submit and track documents, and view notification about missing or incomplete documents.
- Scholarship coordinator can receive, review and manage scholar records effectively.
- System simplifies submission process and improves scholarship program administration.

PROJECT SCOPE

- Dr. Pio Valenzuela Scholarship Program
- Records Management System for Scholarship Coordinator
- Online Document Submission exclusive for PLV Scholars
